

# BASIC TRAINING COURSE IN AIRCRAFT MAINTENANCE

**HELITOURS TECHNICAL TRAINING CENTRE  
SRI LANKA AIR FORCE**

**COURSE NO 02  
COMMENCING FROM JANUARY 2014**

The Basic Training Course in Aircraft Maintenance (BTCinAM) is a certificate training programme conducted by Helitours Technical Training Centre (HTTC), of Helitours (Pvt) Ltd. HTTC is a Civil Aviation Authority of Sri Lanka (CAASL) approved Aircraft Maintenance Training Organization managed by the Sri Lanka Air Force.

## **COURSE DESCRIPTION**

BTCinAM is a 2 year full-time training programme, and aims to integrate basic aircraft maintenance knowledge and required skills to become a professional aircraft maintenance engineer. This course is designed to impart theoretical knowledge and practical training required by those who wish to appear for the Aircraft Maintenance License (AML) examination conducted by CAASL in the following category.

### **CATEGORY B1.1 AERO PLANES TURBINE**

BTCinAM comprises a combination of lectures and practical skills training covering 13 subject modules and 2 compulsory practical training modules conducted at Helitours engineering. The Student will be assessed through written examinations and by practical assessments.

**Course Duration**-Full time 02 years (Monday to Friday 0800 hrs to 1400hrs)

## **JOB OPPORTUNITIES**

Students who successfully complete the training course will find prospects for employment in the booming Aviation industry both locally and internationally.

## **INDUSTRIAL ON THE JOB TRAINING(OJT)**

In addition, HTTC offers an optional 2 years of OJT in aircraft maintenance at Helitours Airlines or Helitours Engineering that is a pre-requisite to obtain the AML. OJT could be obtained from Helitours with an additional payment of SLR 10,000.00 per month.

## **QUALIFICATIONS**

Pass GCE O/L or equivalent with six subjects including credit passes for Science, Mathematics and English. Preference will be given for applicants who possess GCE A/L qualifications in Mathematics.

## **GRADUATION REQUIREMENTS**

Students who fulfill the 85% attendance requirement and obtain the minimum passing marks on all the written examinations/practical assessments, will be awarded a certificate of recognition for the completion of Basic Training Course in Aircraft Maintenance (BTCinAM) certified by the Civil Aviation Authority of Sri Lanka.

## **FACILITIES**

High standard training facilities, engineering workshops, training models, recreational facilities such as gymnasium, swimming pool etc, will be provided free to the students.

## **COURSE FEES**

Course Fee: SLR 750,000.00. Installment payment facility is available with initial down payment of SLR 300,000.00 and 12 monthly installments of SLR. 40,000.00 each.
